**Introductory 2** – if you've completed Introductory 1 recently or have equivalent knowledge, e.g. you may have picked up some "survival" language through travel.

**Introductory 3** – if you've completed Introductory 2 or equivalent. This level assumes confidence in using basic spoken language, e.g. greetings, directions, use of numbers, shopping and ordering food and drink.

**Introductory 4** – if you've completed Introductory 3 or equivalent.

**Intermediate levels** – if you've completed Introductory 4 or equivalent. These levels assume confidence in conversing in simple language in a range of everyday situations, as well as an understanding of basic grammatical structures.

**Progresivo** (previously known as Advanced) – if you've done up to Intermediate 2 or equivalent, have an understanding of more complex grammatical structures and can use these in spontaneous conversation.

In ESOL courses you'll learn the English you need to live and work in New Zealand, communicate with New Zealanders and gain skills for work and further study.

**Courses are offered at the following levels:**

**Level 1 (Beginners)** – if you have little or no English.

**Level 2 (Elementary)** – if you can understand and use simple English in everyday situations.

**Level 3 (Intermediate)** – if you can usually understand native speakers and can make yourself understood in unfamiliar situations.

**Level 4 (Upper Intermediate)** – if you can speak with confidence and accuracy but want to develop fluency and use more idiomatic language.

**Extension (Advanced)** – if you're fluent in most contexts but need support in specific, more challenging, areas.

If you're not sure of your level, please phone the CEC office on 04 385 8919.
